**Fig.9A**

Figure 1 is a schematic diagram of a computer screen 60. The screen displays a web browser window 61. The browser window includes a title bar with standard window controls (minimize, maximize, close) and a toolbar with navigation icons (back, forward, home, stop, refresh) and a globe icon. Below the toolbar is an address bar labeled "ADDRESS" containing the text "http://.....". The main content area 62 displays a "PRODUCT REFERENCE" table with columns for "NAME", "NUMERAL", "NAME", and "PRICE". The table lists four items: 001 ERASER, 002 LEAD, 003 WOODEN PART, and 004 CAP. To the right of the table is a large image area 64 showing a drawing of a pencil and an eraser. The pencil is labeled with numerals 001 (eraser), 002 (lead tip), and 003 (wooden part). The eraser is labeled 004. A large downward arrow is positioned below the screen, indicating a transition to the next figure.
